Why EdPrime?

- Future ready, digital and proactive
- Better controls leads to better accountability
- Clear & Crisp Communication equals happier stakeholders
- Pool of ready to use Rich Content, Exam Papers & lots of Videos
- An improved bottom line, improved ROI & minimal pilferage

Single Platform FOR EVERYONE

FOR MANAGEMENT

EdPrime helps you in making informed decisions quickly - be it Operational Insight, Academic Performance Or Financials.

FOR PRINCIPALS

EdPrime is designed & built by academicians for academicians. It knows your requirements, works with you closely to simplify operations and achieve more.

FOR TEACHERS

Manage all your tasks at one place - administration and academics. Identifies bottlenecks and areas that may need improvement such as - Student Performance, Internal & External Communication, Report & Redressal. Not to forget, it offers pastoral care in the form of ready to use reference and learning material.

FOR PARENTS AND STUDENTS

A single platform for all communication, queries and learning needs. Parents can easily track and be meaningfully engaged in their wards' performance at school.

For students, EdPrime provides 24x7 learning at your pace, in your space and with tons of learning material!

Makes your life easier by providing

01 Intuitive Dashboards for all Roles – Management, Principal, Teachers, Parents etc.

02 Device Independent – Mobile, Laptop, Tablet whatever and whenever you fanc

03 Clearer School Operations & Monitoring

04 'Banking' Grade Security & Data Safety

05 Super friendly Mobile App

06 Actionable & Customisable Reports

Transform & Grow with **EDPRIME** YOUR SMART SCHOOL PARTNER

1. SUPER EASY MANAGEMENT

Manage all your operations, On/Offline Admissions, Collection & Expense, Staff & Students, Bookstore, Examination to Reminder & Notification from a single platform.

2. RICHER EXPERIENCE

It's a step towards building a better community - richer learning experience, with visible progress in performance to engaging parents & staff constructively. Giving you a boost in New Admissions and Happier Parents.

3. FASTER FEE COLLECTION & BETTER ROI

With multiple & easy payment options, schools get their receivables quickly providing quicker collection and control over planning and management.
